## OFFSITE VISITS POLICY

Ashley Manor Preparatory School will run educational and recreational trips for pupils. The safety of pupils and staff on such trips will be paramount. Appropriate Risk Assessments, having regard to 'DFES Publication– "Health and Safety on Educational Visits' (Nov 2018) will be carried out before any trip is authorised. Staff responsible for trips will rigorously comply with the School's Risk Assessment procedures.

This policy should be read in conjunction with the School's Safeguarding Policy (which includes latest Keeping Children Safe in Education updates, Prevent Strategy and Procedures to follow if concerned about radicalisation), Visitors' Procedures, Health & Safety Policy, Behaviour and Sanctions Policy, Well-Being Policy, First Aid & Medication Policy and IL Policy.

### **Aims and purposes of Offsite Visits**

Ashley Manor Preparatory School adheres to the belief that learning outside the classroom helps to bring the curriculum to life, enriching subject knowledge and increasing self-confidence, helping pupils develop their risk awareness and prepares them for their future working lives.

Each year the School will arrange a number of activities that take place off the School site and out of School hours, which support the aims of the School. These activities are outlined in the School prospectus and with other School policies. The Governors have given their approval to the following types of activities being arranged in support of the educational aims of the School:

- Out of hours Clubs (music, drama, art, science, sport, homework etc)
- School teams, fixtures, tournaments
- Regular local visits (libraries, shops, woodlands, place of worship, farms)
- Day visits for particular year groups
- Residential visits
- Overseas visits
- Adventure Activities, which might be classed as higher risk.

### **Approval Procedure and Consent**

The Head has nominated the Deputy Head (DSL) as the Offsite Visits Co-ordinator (OVC) and the Governors have approved this appointment.

Before a visit is advertised to parents/carers the Head and the OVC must approve the initial plan. They will also approve the completed plan and risk assessments for the visit at a later date.

Where external contractors are involved in organising all or part of the visit the contract will be made with the School on behalf of the pupils. All payments for the visit will be made through the School's accounts.

For out of hours clubs, School teams and local visits parents/carers will be asked to sign a general letter of consent for participation in these activities when the child joins the School. Parents/carers will be given information for the activities that pupils are involved in and will be informed by School if an activity has to be cancelled or delayed.

For any visit lasting a day or more parents/carers will be asked to sign a letter and fill in more comprehensive forms, which consents to the child taking part.

As part of the parent/carers' consent they will be fully informed of the activities and arrangements for the visit. For all residential visits, parents/carers will be invited to a briefing meeting where they can ask for clarification of any aspect of the itinerary and organisation of the visit.
